We are shaping the future of the hospitality education system!

Dear Future Student,

Hospitality Academy is your golden opportunity to unlock the door to a world of possibilities where excellence in education meets real-world experience!

Hospitality Academy is the perfect educational institution to become one of the future leaders of your chosen industry.

Working together with our extensive network of industry partners both in **the United States and Spain**, we offer accredited education with a comprehensive curriculum that enhances the personal and professional development of our students by having access to unparalleled resources and opportunities that will help you succeed.

We believe that everyone should have access to education and professional exposure that will allow them to reach their dreams. This is why no matter where you are from, our team of professionals will support you every step of the way.

Furthermore, we ensure our students are given all the tools to have a successful international career by providing them with support through the application and visa processes, embassy interview coaching, academic counseling, career advice, finding work opportunities, and more.

Why Choose Hospitality Academy?

01 Get official certification

Hospitality Academy can help you obtain your desired accredited degree. Whether it's a Bachelor's or Master's Degree, you will receive all the necessary support to achieve academic success and improve your education.

02 Visa Support

Our team has a dedicated group of visa specialists who understands that studying abroad can be a challenging process, especially when it comes to obtaining the necessary papers. This is why we offer our students comprehensive support to ensure a smooth and hassle-free experience. Our team of experts will guide you through the entire visa application process, from planning to coaching before the actual date of your embassy appearance.

Innovative approach to learning

Studying with Hospitality Academy can provide you with a wide range of modules, such as hotel management, entrepreneurship, new trends and technologies, finance, food design and marketing. Our partner universities will provide you with business-related study programs, whilst we offer a fine selection of hospitality-focused courses. Together, our programs equip students with a unique set of skills to excel in leadership roles within the evolving hospitality industry.

Gain exclusive access to the best hospitality recruitment tools available

We partner with industry leaders to provide you with practical training opportunities offered as a part of our study programs. You will be able to apply to some of the best hospitality opportunities available. In addition to working while studying, upon completion of your degree we will provide you access to our recruitment services to continue your career in the United States, Spain or anywhere across the world.

Our Partner Hotels

Hospitality Academy is not simply a school, but an avenue to begin a long and flourishing career in the industry.

Up to this point, we have established partnerships with an array of esteemed hotels and Michelin-star restaurants spanning the world. Our alliances enable us to provide our students with multiple support and guidance in obtaining internships or postgraduate positions.

Placement International★

Embarking on a hotel career journey is fueled by the exceptional support of **Placement International**, a globally recognized recruitment company with a distinguished reputation spanning over 15 years in the luxury industry.

Placement International offers internships, management training programs, and full-time jobs to students from some of the highly reputable schools and young professionals in the most luxurious hotels and restaurants in the United States or any other country around the world.

A woman with long blonde hair and black-rimmed glasses is sitting at a white desk, smiling as she works. She is wearing a blue knit sweater. In front of her is a laptop, and she has her hands on the keyboard. On the desk, there are several notebooks, a pen holder with pencils, a smartphone, and a small pink object. The background shows a white cabinet with various items on the shelves. The text "Application process" is overlaid in white on the bottom left of the image.

Application process

01 Choose your program

Speak to our team and find the program that best suits your career goals and academic background
