# We are shaping the future of the hospitality education system!

Dear Future Student,

Hospitality Academy is your golden opportunity to unlock the door to a world of possibilities where excellence in education meets real-world experience!

Hospitality Academy is the perfect educational institution to become one of the future leaders of your chosen industry.

Working together with our extensive network of industry partners both in the United States and Spain, we offer accredited education with a comprehensive curriculum. This curriculum enhances the personal and professional development of our students by giving them access to unparalleled resources and opportunities that will help them succeed.

We believe that everyone should have access to education and professional exposure that will allow them to reach their dreams. This is why no matter where you are from, our team of professionals will support you every step of the way.

Furthermore, we ensure our students are given all the tools to have a successful international career by providing them with support through the application and visa processes, embassy interview coaching, academic counseling, career advice, finding work opportunities, and more.

# Why Choose Hospitality Academy?

## 01 Get official certification

Hospitality Academy can help you obtain your desired accredited degree. Whether it's the MBA program or Hospitality Management Certification, you will receive all the support needed to achieve academic success and improve your education.

## 02 Visa support

Our dedicated visa specialists understand that studying abroad can be challenging, especially with obtaining the necessary paperwork. We provide support to ensure a smooth experience, guiding you through the whole visa application process.

## Innovative approach to learning

Studying with Hospitality Academy can provide you with a wide range of academic disciplines, such as hotel management, entrepreneurship, new trends and technologies, finance, food design, and marketing. Our partner universities will provide you with a business-related study program, whilst Hospitality Academy will offer a selection of hospitality-focused courses. Together, our programs equip students with a unique set of skills to excel in leadership roles within the evolving hospitality industry.

## Gain exclusive access to the best hospitality recruitment tools available

We partner with industry leaders to provide you with practical training opportunities during our study programs. You will be able to apply to some of the best hospitality positions available. In addition to working while studying, upon completion of your degree we will provide you access to our recruitment services to continue your career in the United States, Spain, or anywhere across the world.

# Employability—

Currently, 4 out of 10 jobs globally are in the hospitality sector. A degree in hospitality management gives students a head start, enabling them to join one of the most competitive and fastest-growing industries in the world.

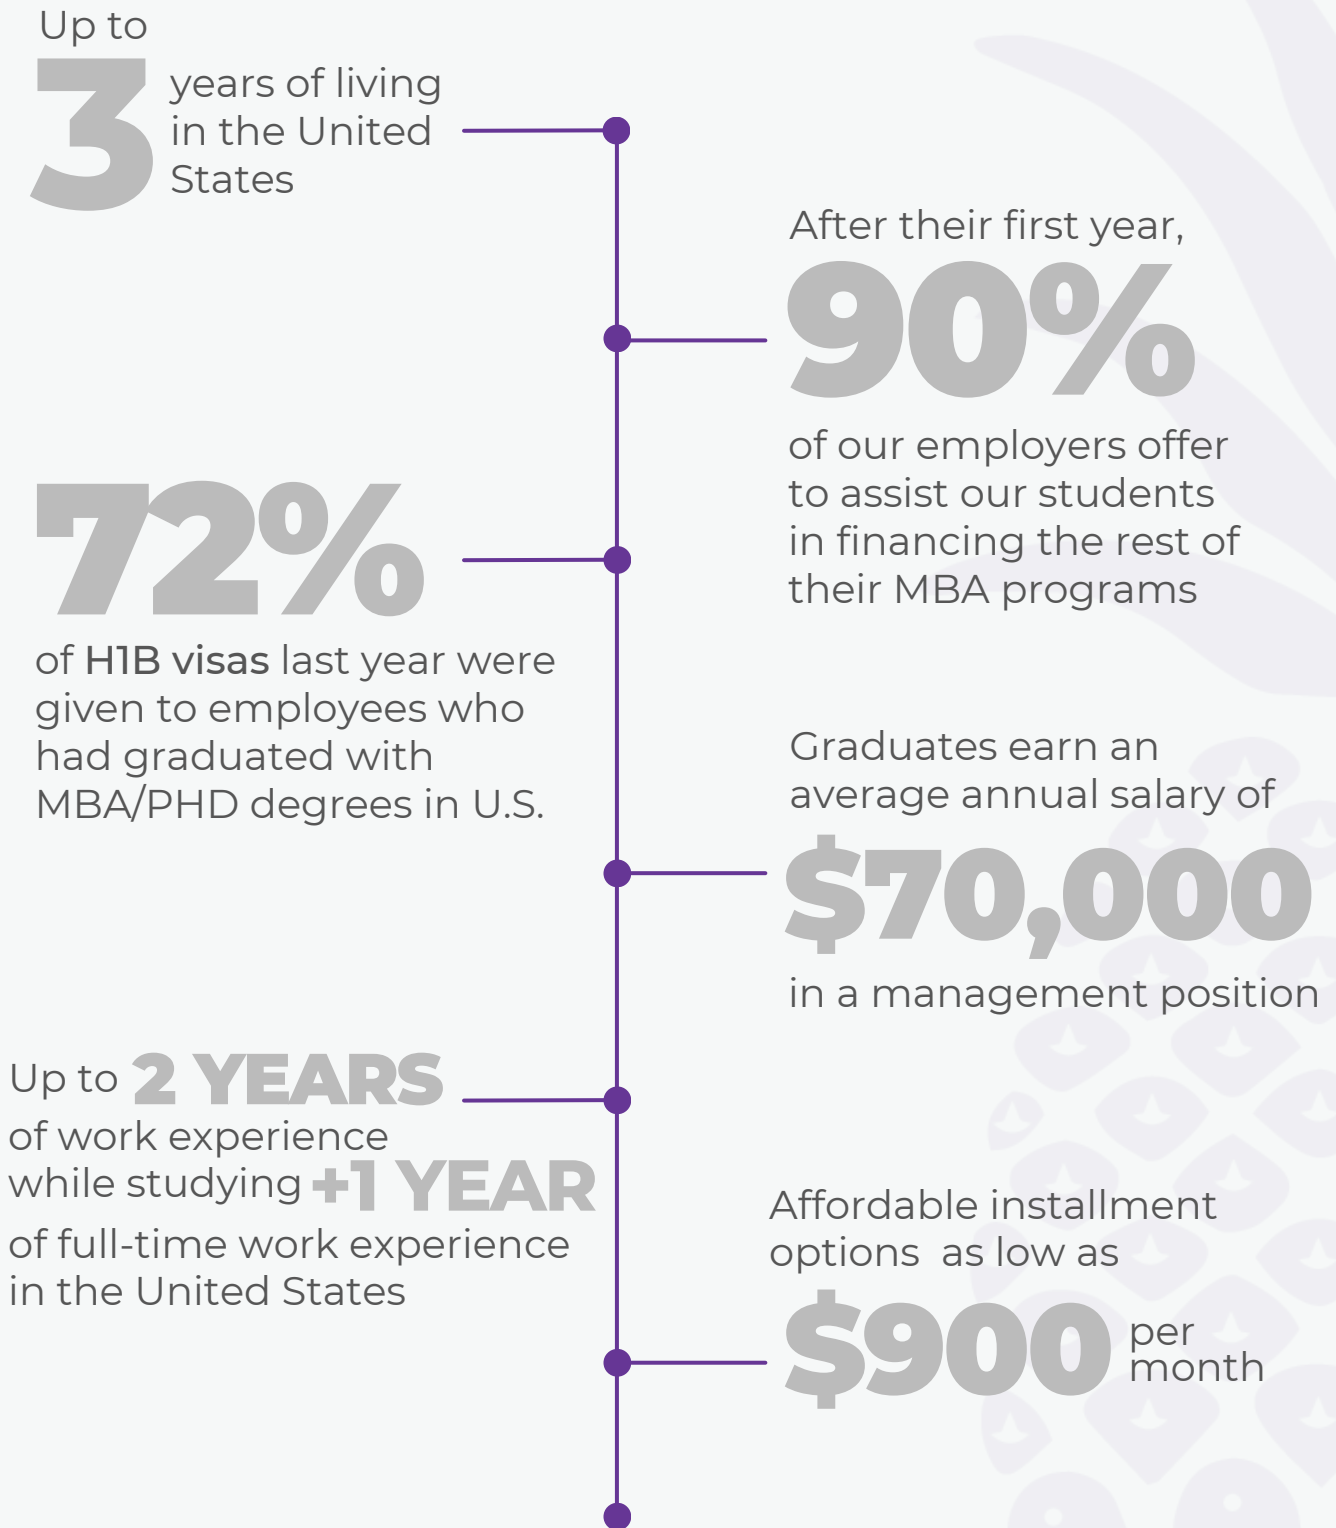

General courses provide a foundation in communication and personal skills, while business courses develop the necessary skills to understand management and accounting principles.

Hospitality Academy offers online and onsite programs that combine lectures, assignments, and work experience.

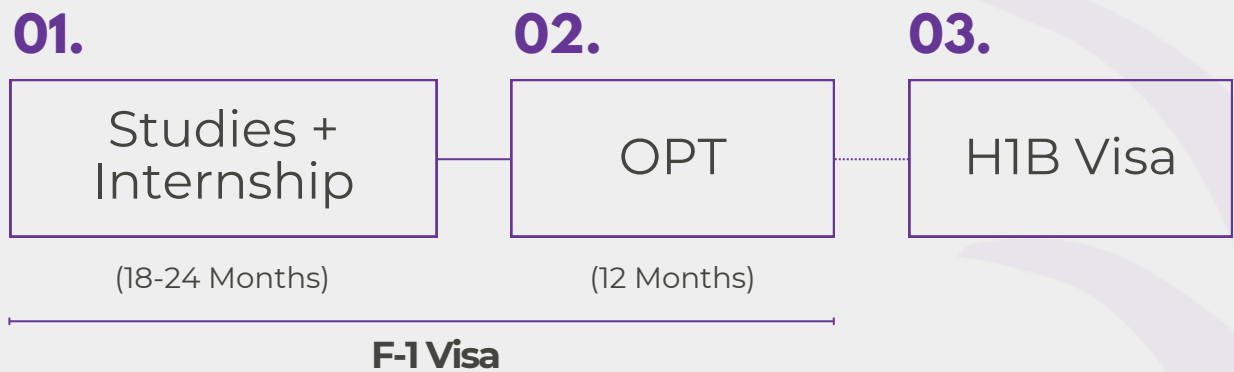

# Why Study with Hospitality Academy?

Gain the knowledge you need to manage a leading organization or start your own successful business!

# Hospitality Academy Student timeline

\*\*\* Depending on each program

## 01. Studies + Internship

- Curricular Practical Training (CPT) is an essential mandatory component of this experience.
- CPT is an on- or off-site employment option for F-1 students.
- Students are permitted to work either full-time or part-time throughout the full duration of their studies.
- Hospitality Academy works closely with our partner organization, Placement International, to offer the best internships to our students.

*\*\* Students' full-time CPT must be less than 12 months to be eligible to participate in OPT after graduation.*

## 02. OPT

- Optional Professional Training (OPT) is temporary employment directly related to the student's degree program, allowing successful graduates to extend their stay in the US for an additional year.
- Hospitality Academy collaborates with Placement International to offer the best recruitment opportunities to our graduates.
- At Hospitality Academy, our students normally choose OPT.

## 03. H1B Visa

After the OPT is completed, properties may choose to sponsor the graduate to apply for an H1B work visa.
